I
MOTION è una soluzione retrattile che permette di aprire o chiudere l'ombrellone vicino al palo, senza rimuovere tavoli e sedie. La combinazione tra MOTION ed ACTION System permette di aprire o chiudere l'ombrellone in una sola operazione. Grazie alla molla a gas, che compensa il peso del ombrello, il trattamento è molto leggero. Telaio in alluminio disponibile in versione anodizzato SpaceGrey o verniciato a polveri Carbon. Componenti e viteria in acciaio inox. Accessori in Nylon ABS.

UK
The MOTION is a retractable solution and permits to open or close the parasol near to the pole without removing table and chairs. The combination of MOTION and ACTION System allows to open or close the parasol in one operation. Thanks to the gas spring, which compensates the weight of the umbrella, the handling is very light. Aluminium frame available in anodized version SpaceGrey or Carbon coated. Components and stainless steel hardware. Accessories Nylon ABS.

D
MOTION ist eine einziehbare Lösung und erlaubt, den Sonnenschirm am Mast zu öffnen oder zu schließen, ohne Tisch und Stühle umzuräumen. Die Kombination von MOTION und ACTION System ermöglicht das Öffnen oder Schließen des Sonnenschirms in einem Arbeitsgang. Dank der Gasfeder, die das Gewicht des Schirmes ausgleicht, ist die Handhabung sehr leicht. Gestell aus Aluminium in eloxierter Ausführung oder pulverbeschichtet Farbe SpaceGrey erhaeltlich. Bestandteile und Schrauben aus Edelstahl. Zubehör aus ABS Nylon.

F
Le système MOTION est une solution rétractable et permet d'ouvrir ou de refermer le parasol sur le mât, sans enlever les tables et les chaises. La combinaison du MOTION et du système ACTION permet d'ouvrir ou de fermer le parasol en une seule opération. Grâce au ressort à gaz, qui compense le poids du parasol, la manipulation est très légère. Armature disponible en version anodisé Space Grey avec peinture en poudre couleur Carbon. Composants et matériel en acier inoxydable. Accessoires Nylon ABS.

E
The MOTION es una solución retráctil que permite abrir y cerrar el parasol acerca del poste sin quitar mesas y sillas. La combinación entre MOTION y ACTION System permite abrir o cerrar el parasol en una única operación. Gracias al muelle de gas, que compensa el peso de la sombrilla, el trato es muy ligero. Marco de aluminio disponible en la versión anodizado SpaceGrey o pintado en polvo Carbon. Componentes y herrajes de acero inoxidable. Accesorios en Nylon ABS.
